We will do our best this year to be totally paperless with our Wednesday Envelope. Our school is completely paperless for our Wednesday Envelope. The requirements for paperless Wednesday Envelope are: (1) you must have a working computer with Internet; (2) a printer for items you may have to turn in and/or (3) a smartphone with Internet access. We understand, however, that for some families this may not be possible and there is an alternative for you to opt in for a paper copy.

## Welcome To Mast Community Charter School II

Dear Mast Parents/Guardians and Students,

The Nutrition Group would like to welcome you back for the 2016-2017 school year! We want all students to be happy and successful during the school year and feel that healthy school meals provided by the cafeteria assist in aiding your student's success.

School meal prices are as follows:

Breakfast      Paid \$1.50      Reduced \$.30

Lunch            Paid \$2.78      Reduced \$.40

The cafeteria follows guidelines based on the National School Lunch Program. Each day the students will be offered five meal components, which include: Meat/Protein, Bread/Starch, Vegetable, Fruit, and Milk. Students will need to take 3 of those 5 components one of which must be a fruit or vegetable in order for their purchase to be considered a meal. Any extra purchases including bottled water, snacks, or extra sandwiches will be charged at the ala carte price for that item.

The purchase method for your student is our Point of Sale (POS) system.

### How does the POS system work?

- Every student has a meal account in the cafeteria that can be accessed using his or her PIN number or scanning their finger. At meal time when the students get to the cashier station at the end of the service line they will enter their PIN number on a key pad or scan their finger. The computer then identifies and accesses the student's account. If there is money in the account, the purchases are deducted, eliminating the need for students to carry money to school every day.

### How can money be put into your student's account?

- Parents are encouraged to deposit funds via the mypaymentsplus website. Checks or money orders are acceptable but electronic payments are preferred. **Please make sure to include your student name on checks.** All payments are to be taken to the cafeteria and given to the cashier. Prepayment will then be entered into the student's account. Funds can be deposited any time for any amount – weekly, monthly, or annually.
- Please make checks or money orders payable to Mast Community Charter School II.
- **When you receive your child's pin number (the first day of school) please have them practice using and memorizing it. The finger scanners are great but the fastest way is using pin numbers.**

**What if your student is eligible for free or reduced meals?**

- If your student is eligible for free meals, the computer will read the student's PIN, act as if the student has cash in the account and will not ask for money. For the reduced students, it will recognize that the student is to be charged the reduced meal price and deduct it from the student's cash balance.

Parents/Guardians, please try to keep your student's account up to date. Negative payment reminders will be sent home approximately twice per month. If you question your student's cafeteria balance at any point please feel free to call the food service office.

If you have any questions or concerns, please feel free to call me at 267-348-1142

Sincerely,

Robert Trommer

Dear Parents/Guardians:

Enclosed please find the application for Free and Reduced Price School Meals for the 2016-2017 school year. A new application must be completed at the beginning of each school year for every family. **EVERY FAMILY MUST RETURN AN APPLICATION** unless you receive a Notice of Direct Certification for the 2016-2017 school year from MaST II. This application will determine if your child(ren) is/are eligible for the Free and Reduced Meal Program. **MaST II does not participate in the Community Eligibility Program.** If you opt out of applying for the Free and Reduced Meal Program, please write N/A across the application with your child(ren)'s name(s), and return the application to MaST II.

Sincerely,

Matthew Ehrlich  
Head of School Operations

Dear Parent/Guardian:

Children need healthy meals to learn. **MaST Community Charter School II** offers healthy meals every school day. Breakfast costs **\$1.50**; lunch costs **\$2.78**. **Your child(ren) may qualify for free meals or for reduced price meals.** Reduced price is **\$.30** for breakfast and **\$.40** for lunch. This packet includes an application for free or reduced price meal benefits, and a set of detailed instructions. Below are some common questions and answers to help you with the application process. If you have received a **NOTICE OF DIRECT CERTIFICATION** letter for free meals, **do not** complete the application. But **do** let the school know if any children in your household are not listed on the **Notice of Direct Certification** letter you received.

1. *Who can get free or reduced meals or Special MILK?*

- a. All children in households receiving Supplemental Nutrition Assistance Program (SNAP) formerly Food Stamps or Temporary Assistance for Needy Families (TANF) benefits are eligible for free meals.
- b. Foster children who are under the legal responsibility of a foster care agency or court are eligible for free meals.
- c. Children participating in their school's Head Start program are eligible for free meals.
- d. Children who meet the definition of homeless, runaway, or migrant are eligible for free meals.
- e. Children may receive free or reduced price meals if your household's income is within the limits on the Federal Income Eligibility Guidelines. Your children may qualify for free or reduced price meals if your household income falls at or below the limits on this chart.

7	\$67,951	\$5,663	\$1,307

8	\$75,647	\$6,304	\$1,455
Each additional person:	\$7,696	\$642	\$148

2. *How do I know if my children qualify as homeless, migrant, or runaway?*

Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and haven't been told your children will get free meals, please call or e-mail **Jackie DeWan (267-348-1149 or [jdewan@mastccs.org](mailto:jdewan@mastccs.org))**.

3. *Do I need to fill out an application for each child?*

No. Use one Free and Reduced Price School Meals Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to: **Jackie DeWan, 6238 Rising Sun Avenue, Phila., PA 19111, 267-348-1149.**

4. *Should I fill out an application if I received a letter this school year saying my children are already approved for free meals?*

No, but please read the letter you received carefully and follow the instructions. If any children in your household were missing from your eligibility notification, contact **Jackie DeWan** immediately.

5. *My child's application was approved last year. Do I need to fill out a new one?*

Your child's application is only good for that school year and for the first few days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year.

6. *I get WIC. Can my children get free meals?*

Children in households participating in WIC may be eligible for free or reduced price meals. Please send in an application.

7. *Will the information I give be checked?*

Yes. We may also ask you to send written proof of the household income you report.

8. *If I don't qualify now, may I apply later?*

Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced price meals if the household income drops below the income limit.

9. *What if I disagree with the school's decision about my application?*

You should talk to school officials. You also may ask for a hearing by calling or writing to: **Lou Decree, Board President, 267-348-1100.**

10. *May I apply if someone in my household is not a U.S. citizen?*

Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced price meals.

11. *What if my income is not always the same?*

List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

12. *What if some household members have no income to report?*

For household members that do not receive income, please check the box for no income in part 3 of the application.

13. *We are in the military. Do we report our income differently?*

Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, or receive Family Subsistence Supplemental Allowance payments, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.

14. *What if there isn't enough space on the application for my family?*

List any additional household members on a separate piece of paper, and attach it to your application. Contact **Jackie DeWan** to receive a second application.

15. *My family needs more help. Are there other programs we might apply for?*

To find out how to apply for **SNAP** or other assistance benefits visit [www.compass.state.pa.us](http://www.compass.state.pa.us), contact your local assistance office or call 1800-692-7462.

If you have other questions or need help, call **267-348-1149**.

**Matthew Ehrlich**
