

Dear High School Parents and Guardians,

I'm pleased to announce that I will be taking students and parents on an educational tour to **Costa Rica in June of 2018**. Your student has been nominated to participate by myself or at least two of his or her teachers on behalf of their dedication to academics and outstanding character in the classroom.

As our world becomes increasingly interconnected, it is critical for our students to become more culturally aware, explore new ideas and grow their potential. Students who partake in this opportunity will grow their social skills, connect to their studies outside of the classroom and set themselves apart when applying to college and their future careers. Students can also earn credit on tour by creating their own online research projects.

I'm only inviting a select group of students because there is limited space on this tour, so I do hope you and your child will be able to join us at the upcoming meeting to learn more.

I will be hosting an informational meeting on to provide more details and answer any questions you may have. Please send me an email or return the RSVP slip below by **Monday, May 8<sup>th</sup>** to ensure I can accommodate everyone in our meeting space.

Warm regards,

Kellie Gifford
