In Reference: High School Summer School/Credit Recovery

Dear MaST Parents/Guardians,

With the end of another school year fast approaching, the time has arrived where students who have failed to demonstrate mastery of the mandatory content during the academic year are able to make up the required credits.

In cooperation with Educere Credit Recovery, MaST is offering online credit recovery during the summer semester of 2019. The program will be held from July 8-26, 2019, Monday through Friday from 8:30 AM – 12:00 PM. The credit recovery program will be held at MaST and proctored by MaST staff. The cost of each course is \$195 and a one time proctor fee of \$50. Checks should be made payable to MaST.

Students who have failed one or more classes this year are required to participate. Any student who has failed three classes during an academic year **will be retained.** Passing grades from the credit recovery program will be reflected on student transcripts prior to the start of the following school year.

Sincerely,

Ms. Phyllis Santiago, M.S. Ed.
K-12 Principal

Mr. Grant Gellert
High School Building Leader
