

MEET *the* COUNSELOR

welcome!

My name is Mrs. Erica Titlow and I will be the new full-time K-4 Elementary Counselor at MaST Byberry. I can't wait to officially meet all of the staff, parents and students I will be working with and I am so excited for a fun year filled with learning, growing and new adventures for all of us.

Some supports I offer are: individual counseling, group counseling, classroom lessons, leading the PBIS Panther P.R.I.D.E. Program and being available to help teachers, staff, families and all students!
