Dear MaST Families,

My name is Carli Lubisky and I am the new high school counselor at MaST for grades 9-12. I wanted to take this opportunity to introduce myself as the school year kicks off and to let you know that I am looking forward to getting to know you over the course of the next couple of months. I will be working alongside Katie MacConnell, who will now be the college and career counselor. I feel privileged that I am able to be a part of such a great community and school!

Before starting at MaST, I obtained my master's degree in Counseling Psychology (concentration in School Counseling) from Holy Family University and my bachelor's degree in Psychology from Penn State Abington. I interned at the Jenkintown School District and was the long-term high school counselor at Springfield Township High School in Erdenheim, PA.

I am very passionate about being a school counselor, especially in the high school setting, because I love helping and connecting with young people as their lives are just getting started. I want to be able to advocate for your children as we all know that there can be different struggles throughout high school. With that being said, one of my goals is for students to view my office as a safe haven and somewhere that everyone can feel comfortable. I respect students' confidentiality, unless they are planning on hurting themselves, hurting someone else, or someone is hurting them. As a school counselor, my primary responsibility is to promote the academic, personal, social development of all students. I also look forward to offering support to the students, staff, families, and community!

I hope that you feel comfortable to reach out to me with any concerns you may have throughout the year. Open communication is key and it takes a team effort between home and school for students to reach their highest potential. Please feel free to contact me any time at clubisky@mastccs.org or (267) 348-1100 ext. 1362.

I'm excited to be here and am looking forward to meeting you and your children soon!

Have a great day,

Carli Lubisky, M.S.
High School Counselor
