

# Stomp Out Bullying!

## October is National Bullying Prevention Month

Every October, schools and organizations across the country join STOMP Out Bullying™ in observing National Bullying Prevention Month.

OCTOBER

NATIONAL  
BULLYING  
PREVENTION  
MONTH

**The goal:** encourage schools, communities and organizations to work together to stop bullying and cyberbullying. We need to put an end to hatred and racism by increasing awareness of the prevalence and impact of all forms of bullying on all children of all ages.

Every Friday throughout October, MaST will be participating in a **#BlueUp** to stand up against bullying and cyberbullying. In addition to spirit wear, please wear the color blue so that we can come together in solidarity in hopes that this message is heard throughout our community. You can begin to change the culture by putting an end to bullying and cyberbullying!
