

Math, Science & Technology Community Charter School

Dear Parents and Guardians,

Communication between home and school is important towards providing an effective instructional environment for our children. As we prepare for Parent-Teacher Conferences, we look forward to your insights regarding your child's education and input about the school year. Our teachers truly appreciate the support that you give to your child in his/her education while at home.

The fall conferences will be held on **Thursday, November 7th from 4:00 pm to 7:30 pm**. Teachers will send out information on scheduling appointments or phone conferences.

Paper copies of report cards will be going home Monday, November 4th. Student grades are always accessible in PowerSchool. If you are in need of your account information, please email powerschool@mastccs.org.

Thank you,

MaST Administration
