

MaST Community Charter Schools

SPRING PICTURE DAY

Dear Parents/Guardians,

On Thursday, February 13, 2020, Lifetouch will be at all MaST School campuses for Spring Picture Day. The Spring Picture Day Program is an opportunity to photograph our students in a casual portrait setting.

Spring Program Procedure:

1. A Picture Day flyer/payment envelope will be sent home with all students prior to Picture Day.
2. **Only students who bring back a Picture Day envelope and payment or made a purchase online will be photographed.**
3. Pictures will be delivered approximately 3-5 weeks after Picture Day and will be sent home from the school with the student.

Students do not have to wear their school uniform on Thursday, February 13th if they are having their picture taken. However, students must be dressed appropriately for school. They may NOT wear belly shirts, low rider pants (no skin exposed), hats or any clothing with inappropriate expressions.

There are **no** retakes for Spring Picture Day.

Thank you.
